SOCCER SOCIAL

Local nonprofit Soccer Assist hosted a special fundraising event with USA soccer legends **Landon Donovan** and **Brian Ching**. Austin's finest soccer lovers gathered at Rock Rose Hall at the exciting new Domain Northside for mouth-watering appetizers by neighboring Turf N Surf, cocktails, tunes by DJ Manny, and viewing of the live Colombia Vs. USA game. Proceeds went toward Soccer Assist, founded last year by **Dr. Aaron Rochlen** to give Austin's children more of an even playing field in the sport, from supplying better equipment to helping underprivileged children participate in league soccer.
